B. Preguntas Más Frecuentes (FAQ)

Encuentre aquí respuestas a las preguntas que tenga sobre esta *Lista de Medicamentos Cubiertos (Lista de Medicamentos)*. Puede leer todas las preguntas frecuentes para obtener más información o buscar una pregunta y respuesta.

B1. ¿Qué medicamentos recetados están en la Lista de Medicamentos Cubiertos? (Llamamos a la *Lista de Medicamentos Cubiertos* la "*Lista de Medicamentos*" para abreviar).

Los medicamentos de la *Lista de Medicamentos* que comienza en **la Sección C1** son los medicamentos cubiertos por Community Advantage Plus. Los medicamentos están disponibles en las farmacias de nuestra red. Una farmacia está en nuestra red si tenemos un acuerdo con ellos para trabajar con nosotros y brindarle servicios. Nos referimos a estas farmacias como "farmacias de la red".

Otros medicamentos, como los de venta libre (OTC) y determinadas vitaminas, pueden estar cubiertos por Medi-Cal Rx. Visite el sitio web de Medi-Cal Rx (www.medi-calrx.dhcs.ca.gov) para más información. También puede llamar al Departamento de Servicio al Cliente de Medi-Cal Rx al 800-977-2273. Traiga su Tarjeta de Identificación de Beneficiario (BIC) de Medi-Cal cuando le surtan recetas a través de Medi-Cal Rx.

- Community Advantage Plus cubrirá todos los medicamentos médicamente necesarios en la Lista de Medicamentos si:
    - su médico u otra persona que receta dice que los necesita para mejorar o mantenerse saludable,
    - Community Advantage Plus acepta que el medicamento es médicamente necesario para usted, **y**
    - usted llena la receta en una farmacia de la red Community Advantage Plus.
- En algunos casos, debe hacer algo antes de poder obtener un medicamento. Consulte la pregunta B4 para más información.

También puede encontrar una lista actualizada de los medicamentos que cubrimos en nuestro sitio web en www.chpiv.org o llamar al Departamento de Servicio al Cliente al 1-888-484-1412, TTY 1-888-671-3263.

B2. ¿Cambia alguna vez la *Lista de Medicamentos*?

Sí, y Community Advantage Plus debe seguir las reglas de Medicare y Medi-Cal al realizar cambios. Podemos agregar o quitar medicamentos de la *Lista de Medicamentos* durante el año.

Es posible que cambiemos nuestras reglas sobre los medicamentos. Por ejemplo, podríamos:

- Decidir si requiere o no la autorización previa para un medicamento. (La autorización previa es el permiso de Community Advantage Plus antes de que pueda obtener un medicamento).
- Agregar o cambiar la cantidad de un medicamento que puede obtener (los llamados límites de cantidad).
- Agregar o cambiar restricciones de terapia escalonada en un medicamento. (La terapia escalonada significa que debe probar un medicamento antes de que cubramos otro).

Para más información sobre estas reglas de medicamentos, consulte la pregunta B4.

Si está tomando un medicamento que estaba cubierto a **principios** de año, generalmente no eliminaremos ni cambiaremos la cobertura de ese medicamento **durante el resto del año** a menos que:

- salga al mercado un nuevo medicamento más barato que funciona tan bien como un medicamento de la *Lista de Medicamentos* actual, o
- nos enteramos de que un medicamento no es seguro, o
- un medicamento es retirado del mercado.

Las preguntas B3 y B6 a continuación tienen más información sobre lo que sucede cuando cambia la *Lista de Medicamentos*.

- Siempre puede consultar *la Lista de Medicamentos* actualizada de Community Advantage Plus en línea en www.chpiv.org. Las actualizaciones de la *Lista de Medicamentos* se publican en el sitio web mensualmente.
- También puede llamar al Departamento de Servicio al Cliente al 1-888-484-1412 y TTY 1-888-671-3263 para consultar la *Lista de Medicamentos* actual.

B3. ¿Qué sucede cuando hay un cambio en la *Lista de Medicamentos*?

Algunos cambios a la *Lista de Medicamentos* ocurrirán **inmediatamente**. Por ejemplo:

- **Sustituciones de ciertas nuevas versiones de medicamentos.** Podemos eliminar inmediatamente los medicamentos de la Lista de Medicamentos si los reemplazamos con ciertas versiones nuevas de ese medicamento, pero el costo del nuevo medicamento seguirá siendo $0. Cuando agregamos una nueva versión de un medicamento, también podemos decidir mantener el medicamento de marca o el producto biológico original en la lista, pero cambiar sus reglas o límites de cobertura.
  - Es posible que no le informemos antes de realizar este cambio, pero le enviaremos información sobre el cambio específico que realizamos una vez que ocurra.
  - Podemos realizar estos cambios solo si el medicamento que estamos agregando:
    - es una nueva versión genérica de un medicamento de marca, o
    - es una nueva versión biosimilar determinada de productos biológicos originales en la *Lista de Medicamentos* (por ejemplo, agregar un biosimilar intercambiable que pueda sustituir a un producto biológico original sin una nueva receta).
    - Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte **la Sección B14**.
  - Usted o su proveedor pueden solicitar una excepción a estos cambios. Le enviaremos un aviso con los pasos que puede seguir para solicitar una excepción. Consulte las preguntas B10-B12 para obtener más información sobre las excepciones.
- **Eliminar medicamentos inseguros y otros medicamentos que se retiran del mercado.** A veces, un medicamento puede resultar inseguro o retirarse del mercado por otro motivo. Si esto sucede, podemos retirarlo inmediatamente de la Lista de Medicamentos. Si está tomando el medicamento, le enviaremos un aviso después de que realicemos el cambio. Si le informamos que la FDA ha retirado de la Lista de Medicamentos un medicamento que

usted ha estado retirando por razones de seguridad, debe comunicarse con su médico lo antes posible para analizar otros medicamentos que pueda tomar para su afección.

Es posible que hagamos otros cambios que afecten a los medicamentos que toma. Le informaremos con antelación sobre estos otros cambios en la *Lista de Medicamentos*. Estos cambios pueden suceder si:

- La FDA proporciona nuevos lineamientos o existen nuevos lineamientos clínicos sobre un medicamento.
- eliminamos un medicamento de marca de la Lista de Medicamentos cuando agregamos un medicamento genérico que no es nuevo en el mercado, o
- eliminamos un producto biológico original al agregar un biosimilar, o
- cambiamos las reglas o límites de cobertura para el medicamento de marca.

Cuando se produzcan estos cambios, haremos lo siguiente:

- informarle al menos 30 días antes de que hagamos el cambio a la Lista de Medicamentos o
- le informamos y le entregamos un suministro para 31 días después de que pida un resurtido del medicamento.

Esto le dará tiempo para hablar con su médico u otra persona que le receta. Él o ella lo ayudará a decidir lo siguiente:

- si hay un medicamento similar en la Lista de Medicamentos que puede tomar en su lugar, o
- si debe solicitar una excepción a estos cambios. Para más información sobre las excepciones, consulte las preguntas B10-B12.

B4. ¿Existen restricciones o límites en la cobertura de medicamentos o alguna acción requerida para obtener ciertos medicamentos?

Sí, algunos medicamentos tienen reglas de cobertura o tienen límites en la cantidad que puede obtener. En algunos casos, usted, su médico u otra persona que le recete deben hacer algo antes de que pueda obtener el medicamento. Por ejemplo:

- **Autorización Previa:** Para algunos medicamentos, usted, su médico u otro profesional que receta deben obtener autorización de Community Advantage Plus antes de surtir su receta. La autorización previa es diferente a una derivación. Es posible que Community Advantage Plus no cubra el medicamento si no obtiene autorización previa.

- **Límites de Cantidad:** A veces, Community Advantage Plus limita la cantidad de un medicamento que puede obtener.
- **Terapia escalonada:** A veces, Community Advantage Plus requiere que usted realice una terapia escalonada. Esto significa que tendrás que probar medicamentos en un orden determinado para tu condición médica. Es posible que tenga que probar un medicamento antes de que cubramos otro. Si su médico considera que el primer medicamento no funciona para usted, entonces cubriremos el segundo.

Puede averiguar si su medicamento tiene requisitos o límites adicionales consultando las tablas de la **Sección C1.** También puede obtener más información visitando nuestro sitio web en www.chpiv.org. Hemos publicado documentos en línea. eso explicar nuestras restricciones de autorización previa y terapia escalonada. También puede pedir que le enviemos una copia.

Puede solicitar una excepción a estos límites. Esto le dará tiempo para hablar con su médico u otra persona que le receta. Pueden ayudarle a decidir si hay un medicamento similar en la *Lista de Medicamentos* que pueda tomar en su lugar o si debe solicitar una excepción. Consulte las preguntas B10-B12 para más información sobre las excepciones.

B5. ¿Cómo sabré si el medicamento que quiero tiene límites o si se requieren acciones para obtenerlo?

La tabla en la sección titulada “Lista de Medicamentos por Condición Médica” tiene una columna denominada “Acciones necesarias, restricciones o límites de uso”.

B6. ¿Qué sucede si Community Advantage Plus cambia sus reglas sobre cómo cubren algunos medicamentos (por ejemplo, autorización previa, límites de cantidad y/o restricciones de terapia escalonada)?

En algunos casos, le informaremos con anticipación si agregamos o modificamos la autorización previa, los límites de cantidad y/o las restricciones de terapia escalonada de un medicamento. Consulte la pregunta B3 para obtener más información sobre este aviso anticipado y las situaciones en las que es posible que no podamos informarle con anticipación cuando cambien nuestras reglas sobre los medicamentos en la *Lista de Medicamentos*.

B7. ¿Cómo puedo encontrar un medicamento en la *Lista de Medicamentos*?

Hay dos formas de encontrar un medicamento:

- puede buscar por orden alfabético **o**
- puede buscar por condición médica.

Para buscar **alfabéticamente**, busque su medicamento en la sección del Índice de Medicamentos Cubiertos. Puede encontrarlo en la página I-1.

Para buscar **por condición médica**, busque la sección denominada “Lista de Medicamentos por Condición Médica”. Los medicamentos de esta sección están agrupados en categorías según el tipo de afecciones médicas que se utilizan para tratar. Por ejemplo, si tiene una afección cardíaca, debe buscar en la categoría Agentes Cardiovasculares. Ahí es donde encontrará medicamentos que tratan enfermedades del corazón.

B8. ¿Qué pasa si el medicamento que quiero tomar no está en la *Lista de Medicamentos*?

Si no encuentra su medicamento en la *Lista de Medicamentos*, llame al Departamento de Servicio al Cliente al 1-888-484-1412 (TTY 1-888-671-3263) y pregunte al respecto. Si se entera de que Community Advantage Plus no cubrirá el medicamento, puede hacer una de estas cosas:

- Pregunte al Departamento de Servicio al Cliente o a su Coordinador de Casos por una lista de medicamentos como el que desea tomar. Luego, muéstrele la lista a su médico u otro profesional que extiende sus recetas. Pueden recetarle un medicamento de la *Lista de Medicamentos* que sea similar al que usted desea tomar. **O**
- Pídale a Community Advantage Plus que haga una excepción para cubrir su medicamento. Consulte las preguntas B10-B12 para más información sobre las excepciones.

B9. ¿Qué pasa si soy un nuevo participante de Community Advantage Plus y no puedo encontrar mi medicamento en la *Lista de Medicamentos* o tengo un problema para conseguirlo?

Podemos ayudar. Es posible que cubramos un suministro temporal de 31 días de su medicamento durante los primeros 90 días que sea participante de Community Advantage Plus. Esto le dará tiempo para hablar con su médico u otra persona que le receta. Pueden ayudarle a decidir si hay un medicamento similar en la *Lista de Medicamentos* que pueda tomar en su lugar o si debe solicitar una excepción.

Si su receta está escrita por menos días, permitiremos múltiples recargas para proporcionar hasta un máximo de 31 días de medicamento.

Cubriremos un suministro de 31 días de su medicamento si:

- está tomando un medicamento que no está en nuestra *Lista de Medicamentos*, **o**
- las reglas de nuestro plan no le permiten obtener la cantidad ordenada por su médico, **o**

- el medicamento requiere autorización previa de Community Advantage Plus, **o**
- está tomando un medicamento que es parte de una restricción de terapia escalonada.

Si está tomando un medicamento que Community Advantage Plus no considera un medicamento de la Parte D, y el medicamento no está en la *Lista de Medicamentos*, y tiene un problema para obtenerlo, es posible que esté cubierto a través de Medi-Cal Rx. Si un medicamento excluido de la Parte D requiere una excepción y usted tiene una emergencia, Medi-Cal Rx permitirá un suministro del medicamento de no menos de 72 horas. Visite el sitio web de Medi-Cal Rx (www.medi-calrx.dhcs.ca.gov) para más información. También puede llamar al Departamento de Servicio al Cliente de Medi-Cal Rx al 800-977-2273. Por favor traiga su BIC de Medi-Cal cuando obtenga recetas a través de Medi-Cal Rx.

Si se encuentra en un hogar de ancianos u otro centro de atención a largo plazo y necesita un medicamento que no está en la *Lista de Medicamentos* o si no puede conseguir fácilmente el medicamento que necesita, podemos ayudarlo. Si ha estado en el plan durante más de 90 días, vive en un centro de atención a largo plazo y necesita un suministro de inmediato:

- Cubriremos un suministro de 31 días del medicamento que necesita (a menos que tenga una receta para menos días), independientemente de si es o no un nuevo participante de Community Advantage Plus.
- Esto se suma al suministro temporal durante los primeros 90 días que sea participante de Community Advantage Plus.

Para transiciones no planificadas, por ejemplo, cuando le dan el alta del hospital a un centro de atención a largo plazo o a su hogar, Community Advantage Plus tomará determinaciones y redeterminaciones de cobertura tan pronto como su condición de salud lo requiera. Se le proporcionará un suministro de emergencia de medicamentos que no están en el formulario, incluidos los medicamentos que están sujetos a ciertas restricciones o límites, como autorización previa, terapia escalonada o límites de cantidad.

B10. ¿Puedo solicitar una excepción para cubrir mi medicamento?

Sí. Puede solicitarle a Community Advantage Plus que haga una excepción para cubrir un medicamento que no esté en la *Lista de Medicamentos*.

También puede pedirnos que cambiemos las reglas de su medicamento.

- Por ejemplo, Community Advantage Plus puede limitar la cantidad de un medicamento que cubriremos. Si su medicamento tiene un límite, puede pedirnos que cambiemos el límite y cubramos más.

- Otros ejemplos: Puede pedirnos que eliminemos las restricciones de la terapia escalonada o los requisitos de autorización previa.

B11. ¿Cómo puedo pedir una excepción?

Para solicitar una excepción, llame al Departamento de Servicio al Cliente o a su Coordinador de Casos. Un representante del Departamento de Servicio al Cliente o su Coordinador de Casos Trabajará con usted y su médico para ayudarlo a solicitar una excepción. También puede leer **el Capítulo 9 Sección G2** del *Manual del Participante* para obtener más información sobre las excepciones.

B12. ¿Cuánto tiempo se tarda en obtener una excepción?

Después de que recibamos una declaración de su médico que respalde su solicitud de excepción, le daremos una decisión dentro de las 72 horas. Llame al Departamento de Servicio al Cliente al 1-888-484-1412 o a su Coordinador de Casos para obtener más información sobre dónde usted o su médico pueden enviar la declaración.

Si usted o la persona que receta cree que su salud puede verse perjudicada si tiene que esperar 72 horas para recibir una decisión, puede solicitar una excepción acelerada. Esta es una decisión más rápida. Si su médico respalda su solicitud, le daremos una decisión dentro de las 24 horas de recibir la declaración de respaldo de su médico.

B13. ¿Qué son los medicamentos genéricos?

Los medicamentos genéricos se componen de los mismos ingredientes activos que los medicamentos de marca. Por lo general cuestan menos que los medicamentos de marca y generalmente funcionan igual de bien. Generalmente no tienen nombres conocidos. Los medicamentos genéricos están aprobados por la Administración de Alimentos y Medicamentos (FDA). Hay medicamentos genéricos disponibles para muchos medicamentos de marca. Los medicamentos genéricos generalmente pueden sustituir a los medicamentos de marca en la farmacia sin necesidad de una nueva receta, dependiendo de las leyes estatales.

Community Advantage Plus cubre tanto medicamentos de marca como medicamentos genéricos.

B14. ¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

Cuando nos referimos a medicamentos, podríamos referirnos a un fármaco o a un producto biológico. Los productos biológicos son medicamentos más complejos que los medicamentos típicos. Como los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen formas llamadas biosimilares. Generalmente, los biosimilares funcionan tan bien como el producto biológico original y pueden costar menos. Existen alternativas

biosimilares a algunos productos biológicos originales. Algunos biosimilares son intercambiables y, dependiendo de las leyes estatales, pueden sustituir al producto biológico original en la farmacia sin necesidad de una nueva receta, al igual que los medicamentos genéricos pueden sustituir a los medicamentos de marca.

Para obtener más información sobre los tipos de medicamentos, consulte **el Capítulo 5** del *Manual del Participante*.

B15. ¿Community Advantage Plus cubre productos OTC no farmacológicos?

Community Advantage Plus cubre algunos productos OTC no farmacológicos cuando son recetados por su proveedor.

Algunos ejemplos de productos de venta libre no farmacológicos incluyen jeringas, suministros para pruebas diabéticas y espaciadores respiratorios.

Puede leer la *Lista de Medicamentos* de Community Advantage Plus para saber qué productos OTC no farmacológicos están cubiertos.

B16. ¿Community Advantage Plus cubre el suministro de recetas a largo plazo?

- **Programas de Pedidos por Correo.** Ofrecemos un programa de pedidos por correo que le permite recibir un suministro de hasta 93 días de sus medicamentos enviados directamente a su hogar. Un suministro para 93 días tiene el mismo copago que un suministro para un mes.
- **Programas de Farmacia Minorista de 93 Días.** Algunas farmacias minoristas también pueden ofrecer un suministro de hasta 93 días de medicamentos cubiertos. Un suministro para 93 días tiene el mismo copago que un suministro para un mes.

B17. ¿Puedo recibir recetas en mi casa enviadas por mi farmacia local?

Es posible que su farmacia local pueda enviarle su receta a su hogar. Puede llamar a su farmacia para averiguar si ofrecen entrega a domicilio.

B18. ¿Cuál es mi copago?

Los participantes de Community Advantage Plus tienen un copago de $0 a $12,65 para productos recetados y no farmacológicos si el participante sigue las reglas del plan. Consulte la pregunta B15 para obtener más información sobre los productos no farmacológicos.

Los niveles son grupos de medicamentos en nuestra *Lista de Medicamentos*.

- Los medicamentos genéricos preferidos de nivel 1 tienen un copago de $0.
- Los medicamentos genéricos de nivel 2 tienen un copago de $0 a $5,10.

- Los medicamentos de marca preferidos de nivel 3 tienen un copago de $0 a $12,65.

C. Descripción general de la Lista de Medicamentos Cubiertos

La *Lista de Medicamentos Cubiertos* le brinda información sobre los medicamentos cubiertos por Community Advantage Plus. Si tiene problemas para encontrar su medicamento en la lista, consulte el Índice de Medicamentos Cubiertos que comienza en **la Sección I-1**. El índice enumera alfabéticamente todos los medicamentos cubiertos por Community Advantage Plus.

Nota: El * junto a un medicamento significa que el medicamento no es un “medicamento de la Parte D”. Estos medicamentos tienen reglas diferentes para las apelaciones.

Otros medicamentos, como los de venta libre (OTC) y determinadas vitaminas, pueden estar cubiertos por Medi-Cal Rx. Visite el sitio web de Medi-Cal Rx (www.medi-calrx.dhcs.ca.gov) para más información. También puede llamar al Departamento de Servicio al Cliente de Medi-Cal Rx al 800-977-2273. Traiga su Tarjeta de Identificación de Beneficiario (BIC) de Medi-Cal cuando le surtan recetas a través de Medi-Cal Rx.

Apelaciones Bajo la Parte D

- Una apelación es una forma formal de pedirnos que revisemos una decisión que tomamos sobre su cobertura y que la cambiemos si cree que cometimos un error.
- Por ejemplo, podríamos decidir que un medicamento que usted desea no está cubierto o ya no está cubierto por Medicare o Medi-Cal.
- Si usted o su médico no están de acuerdo con nuestra decisión, pueden apelar. Si alguna vez tiene alguna pregunta, llame al Departamento de Servicio al Cliente a los números que aparecen al final de esta página.
- También puede leer **el Capítulo 9** del *Manual del Participante* para saber cómo apelar una decisión.
- Los medicamentos que no son de la Parte D tienen diferentes reglas para las apelaciones.
