

AGENDA

**Quality Improvement Health Equity
Committee (QIHEC)**

April 10, 2024-Qtr. 1

12:00 P.M.

512 W. Aten Rd.

Imperial, CA 92251

All supporting documentation is available for public review at <https://chpiv.org>

Committee Members	Representing	Present
Dr. Unnati Sampat	Imperial Valley Family Medical Care Group	
Dr. Masoud Afshar	Imperial Valley Family Medical Care Group	
Dr. Ameen Alshareef	Valley Pediatric Health	
Leticia Plancarte-Garcia	Imperial County Behavioral Health	
Janette Angulo	Imperial County Public Health Department	
Mersedes Martinez	El Centro Regional Medical Center	
Shiloh Williams	San Diego State University	
Dr. Gordon Arakawa	CHAIR-Community Health Plan of Imperial Valley	

1. CALL TO ORDER

- A. Roll Call

*Dr. Gordon Arakawa, Chair
Donna Ponce, Commission Clerk*

2. CONSENT CALENDAR

All items appearing on the consent calendar are recommended for approval and will be acted upon by one motion, without discussion. Should any member or other person express their preference to consider an item separately, that item will be addressed at a time as determined by the Chair.

3. INFORMATION

- A. Introductions
- B. Roles and Responsibilities
- C. Review of 2023 Community Health & Wellness Data
- D. Introduction to CalAIM

Adjournment

OF IMPERIAL VALLEY

CHPIV Quality Improvement Health Equity Committee Roles & Responsibilities

Gordon Arakawa, MD PhD

04-10-2024

Roles & Responsibilities

Ensure quality of care for Imperial County's Medi-Cal Members

Review Health Net's QIHEC meetings and make recommendations to LHA

Review and make recommendations regarding delegate oversight of Health Net activities

Health Net QIHEC

Appeals & Grievances
Quality of Service/Quality of Care/PQI
Provider Credentialing
Facility Site Review
Utilization Management
Care Management
Population Health
Health Equity

Health Net QIHEC

Quality Improvement
Member Services
Clinical Policies
Behavioral Health
Pharmacy
LTC/CBAS
Vendor Oversight

PAC Housekeeping

Meeting Attendance/Length

Consider assignment of alternates

Review of Materials

Use of Consent Agenda

Q4 2023 Community Health & Wellness Data

Gordon Arakawa, MD PhD

04-10-2024

Q4 2023 Data

On Jan 2024, CHW and Molina
“exited” Imperial County

And CHPIV, along with Health Net,
entered Imperial County

Q4 2023 Data

Under normal (steady state) circumstances, the Q1 committees review prior year's Q4 data

However, CHPIV did not "exist" in Q4, 2023

Q4 2023 Data

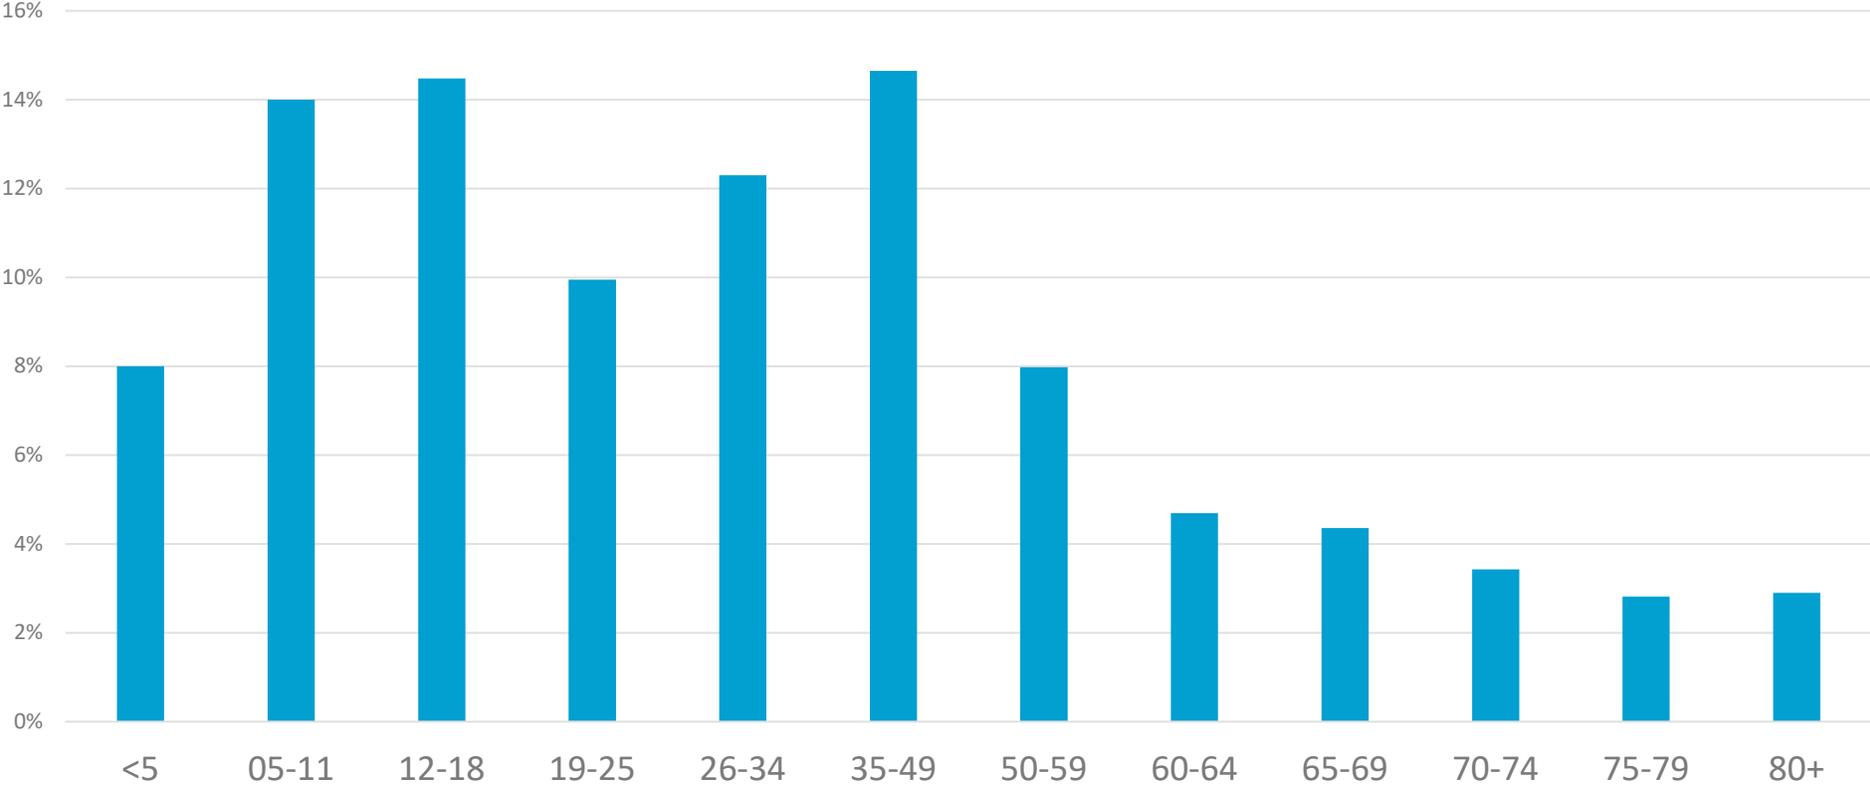

Review 2023 CHW data

Caveat 1: CHW only accounts for 85% of Medi-Cal Members

Caveat 2: 2023 Member Data from Molina is not accessible

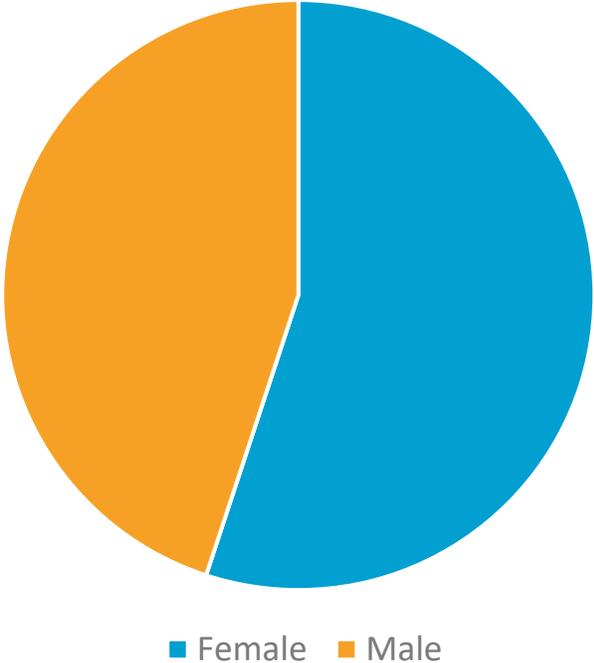

Q4 2023 Demographics

CHW Demography Age

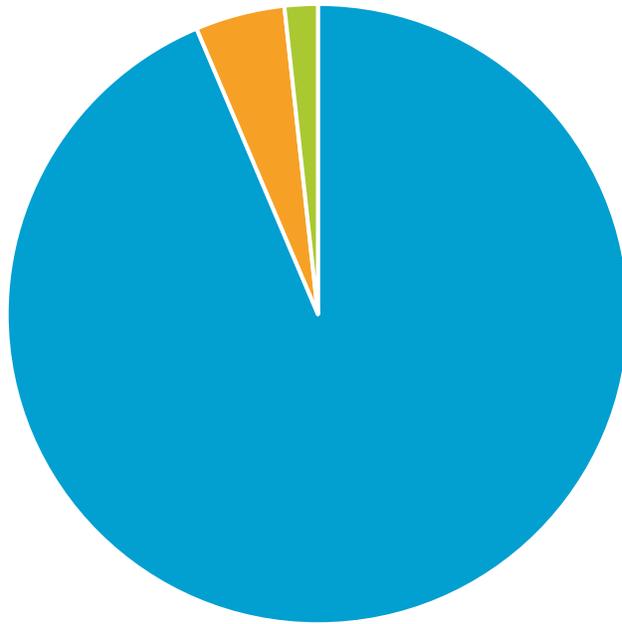

Q4 2023 Demographics

CHPIV Demography
Sex

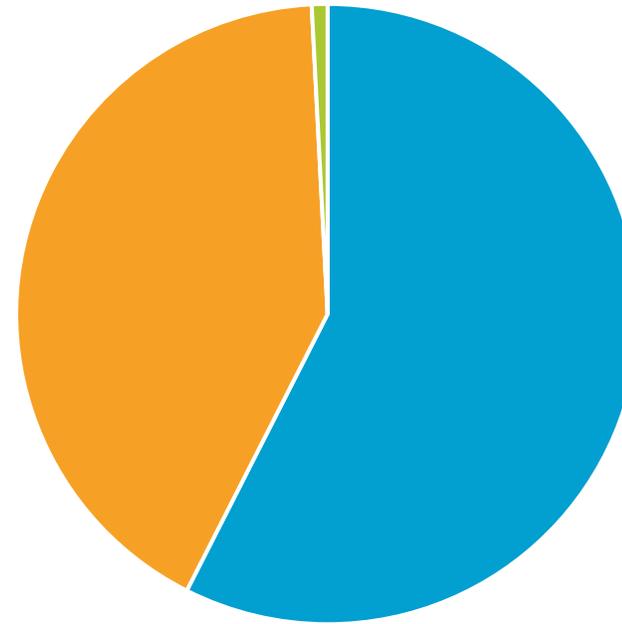

Q4 2023 Demographics

CHPIV Demography
Race/Ethnicity

■ Hispanic/Latino ■ White ■ Other

CHPIV Demography
Language

■ Spanish ■ English ■ Other

Medi-Cal & CalAIM

Gordon Arakawa, MD PhD

04-10-2024

Topics

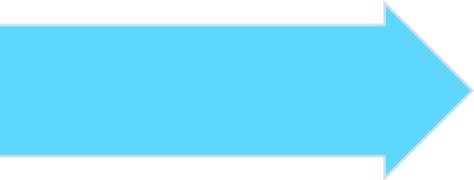

Medi-Cal Basics

CalAIM

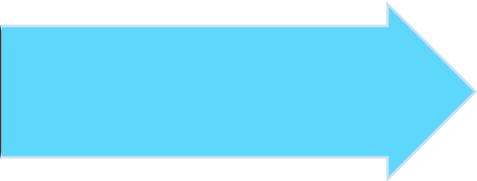

Medi-Cal

Largely focused on medical interventions

- Uneven distribution of BH, SUD, and social drivers of health (SDOH) interventions
- Suboptimal coordination of care

Medi-Cal

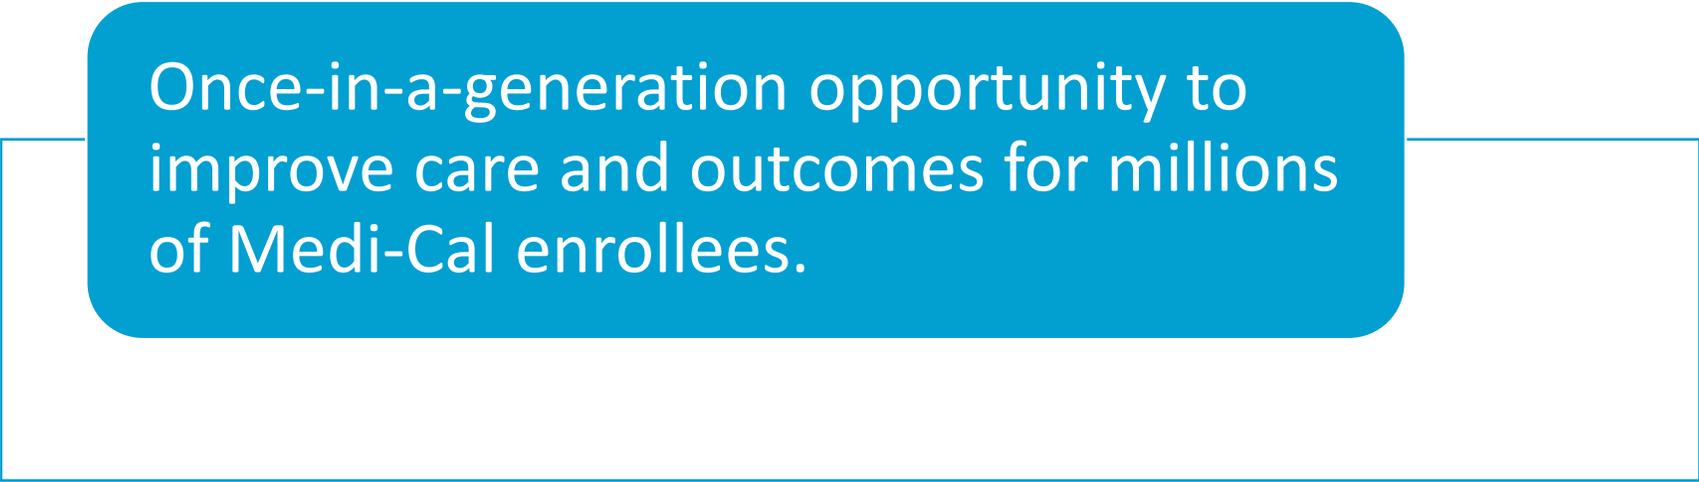

Largely based on fee-for-service

- Poor control of costs

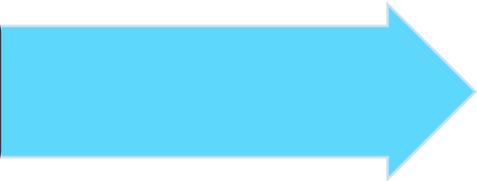

CaAIM

Once-in-a-generation opportunity to improve care and outcomes for millions of Medi-Cal enrollees.

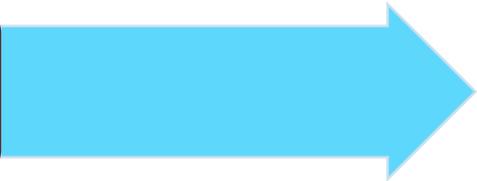

CaAIM

Over a span of five years, CaAIM will introduce a myriad of new programs and make important reforms to many existing programs.

Create a more coordinated, person-centered, and equitable health system

CaAIM

Drive quality of care improvements

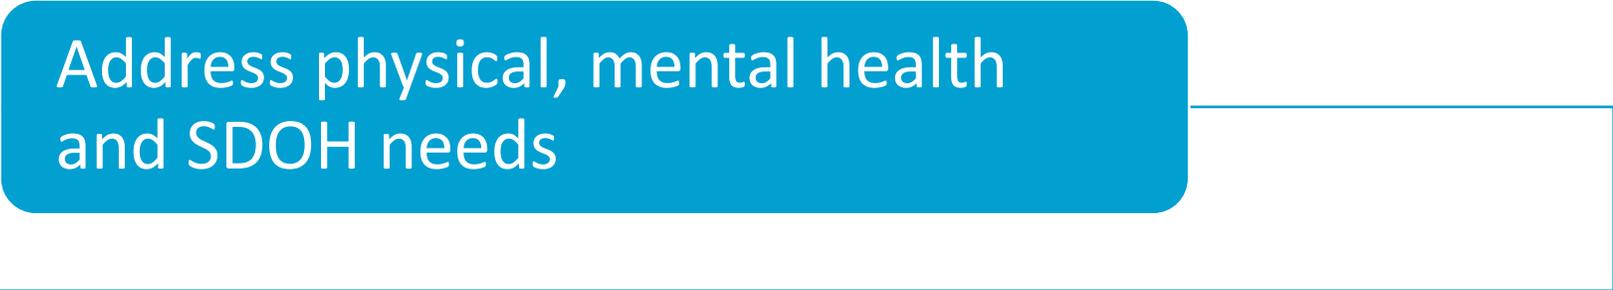

Streamline and reduce complexity

Build equity-focused and data-driven whole person care

CaAIM

Address physical, mental health
and SDOH needs

Improve and integrate care

CaAIM

Population Health Management
(PHM)

Risk Stratification

Health Equity

CaAIM

Enhanced Care Management

Community Supports

Community Health Workers

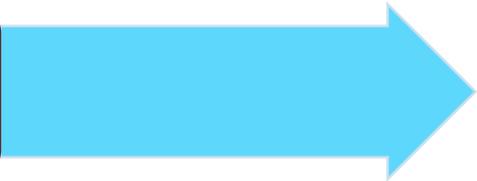

CaAIM

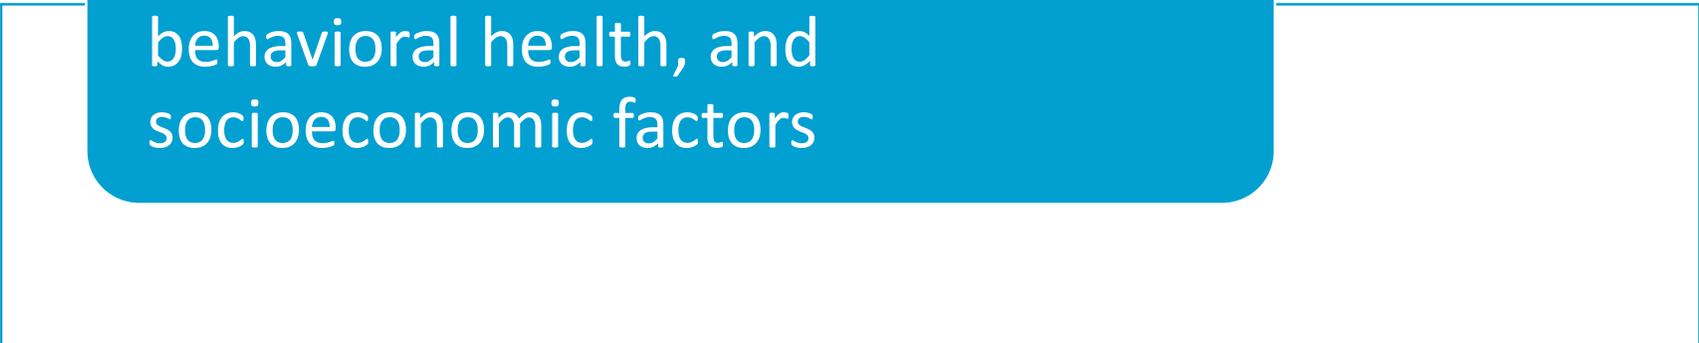

Increase “dimensionality” of
member health

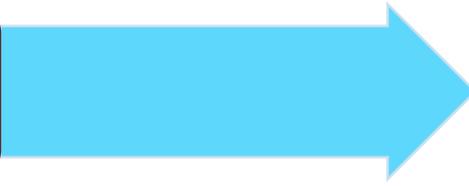

Health “Dimensionality”

Health depends on physical health,
behavioral health, and
socioeconomic factors

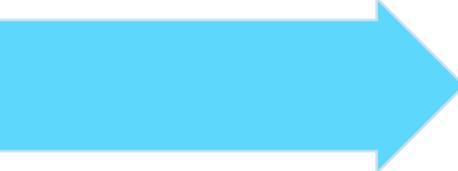

CaAIM

INTERVENTION

PHM

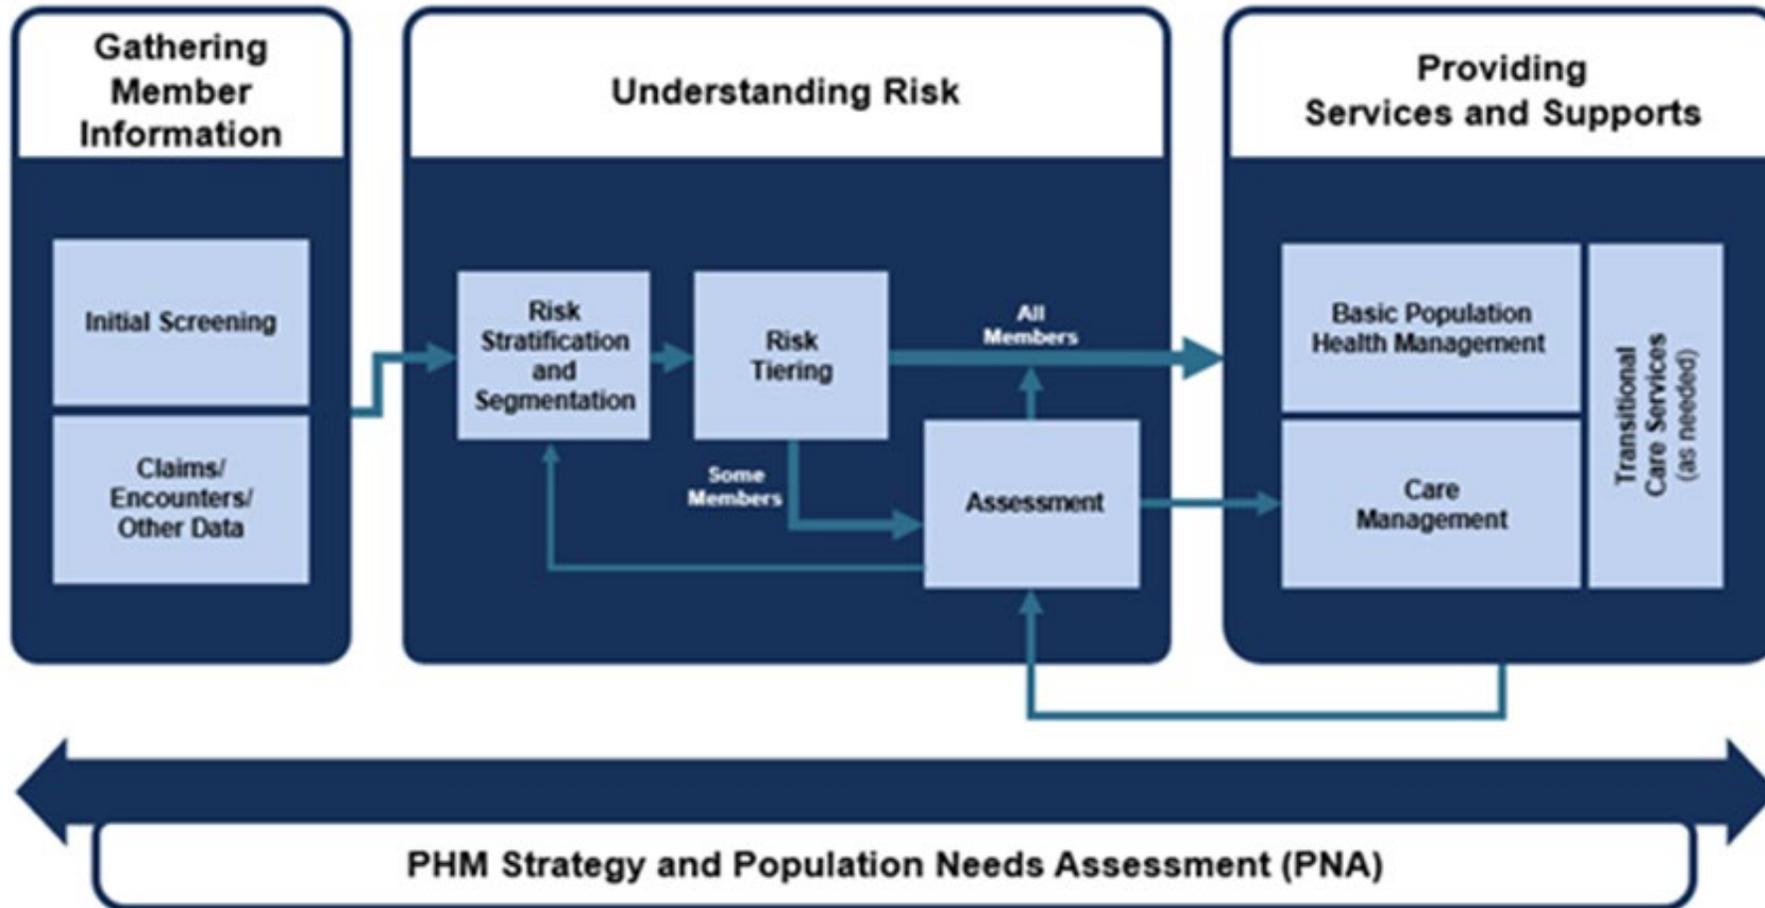

Population Health Management
(PHM)

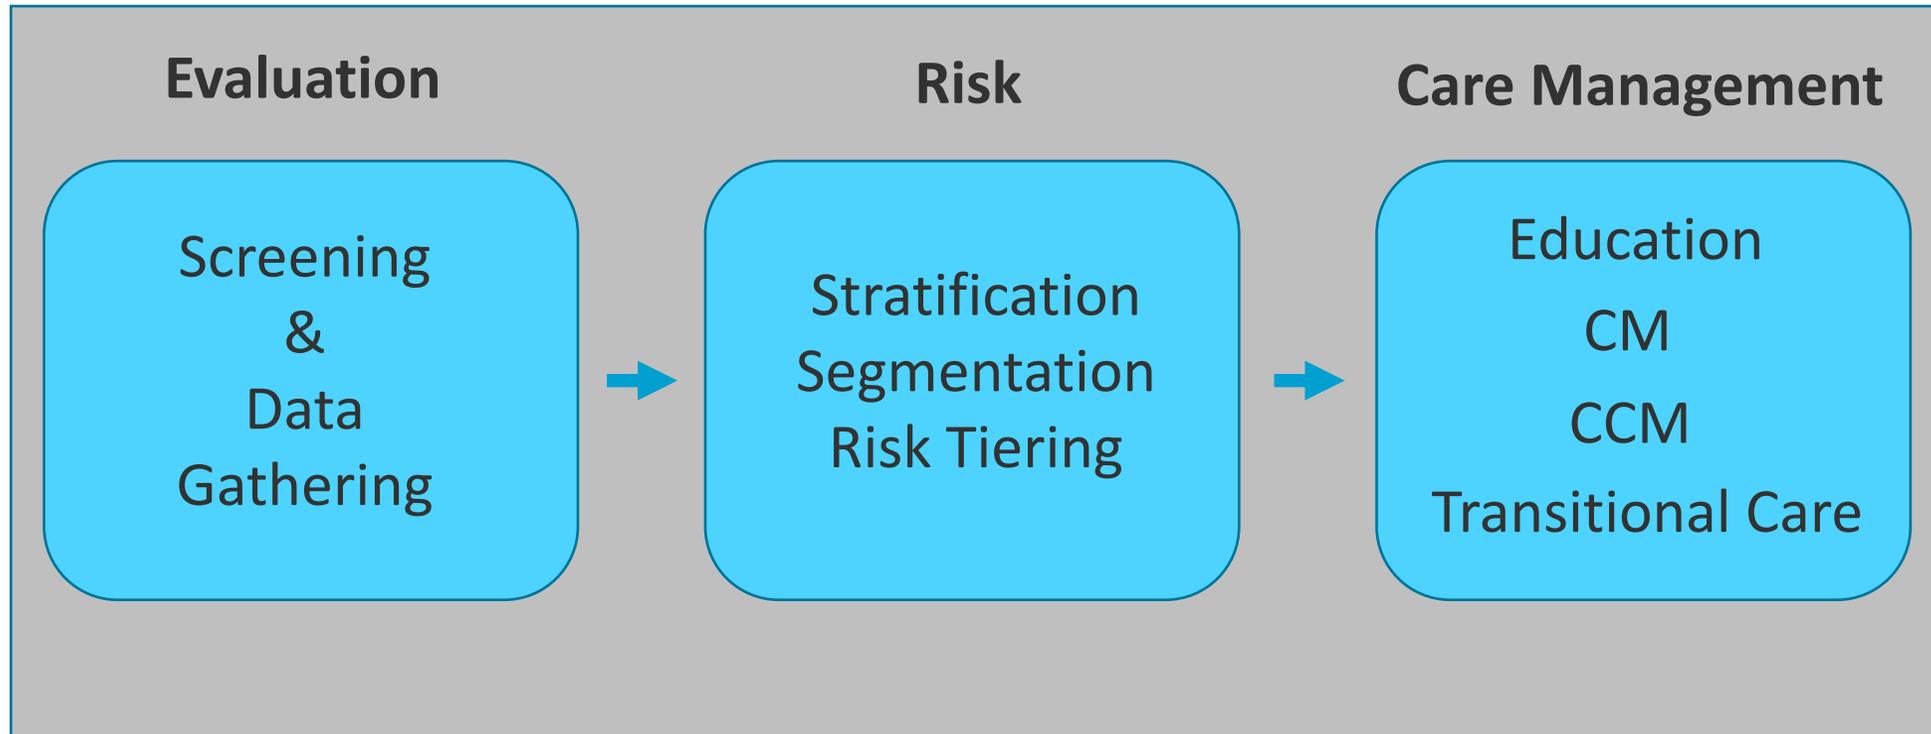

Considers a patient population and
how to improve care within that
population

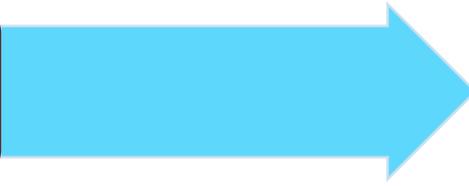

PHM

PHM

PHM

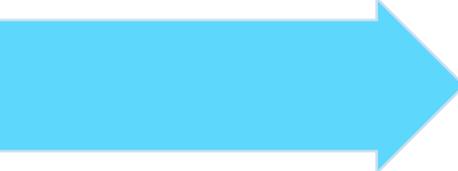

Evaluation of patient health & wellbeing

Establish (Health) Risk Score and Tier level

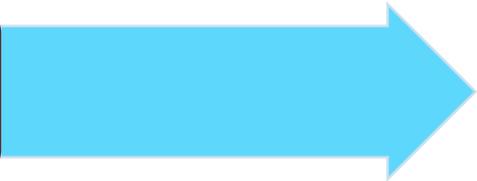

Assigns patient to Care Management level

CaAIM

Risk Stratification

Risk Stratification

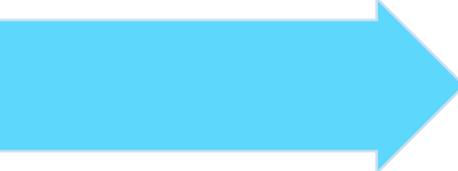

Process of differentiating Members into separate risk groups

Categorization of Members according to care and needs at all levels and intensities

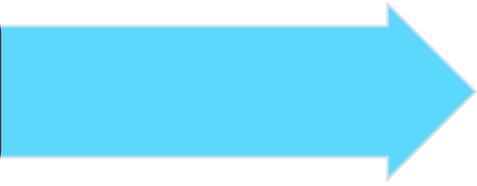

Should account for physical, behavioral health, and SDOH issues

CaAIM

Health Equity

Health Equity

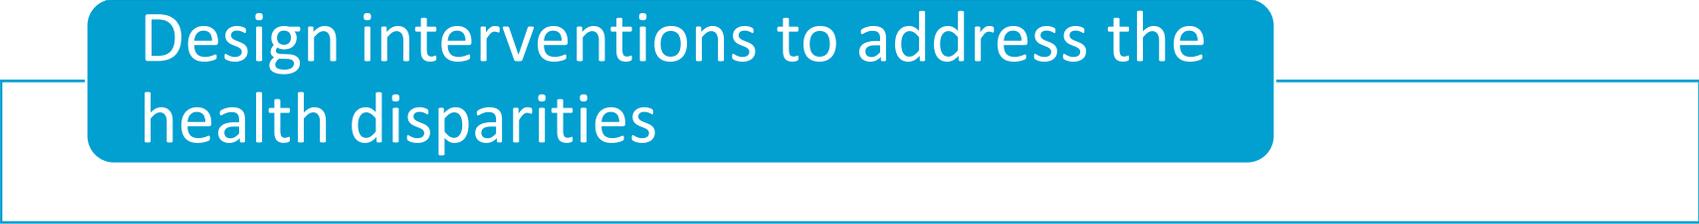

Identify health disparities

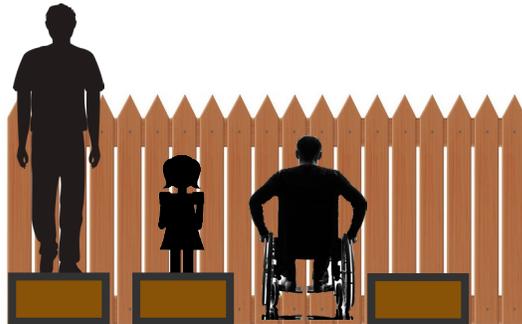

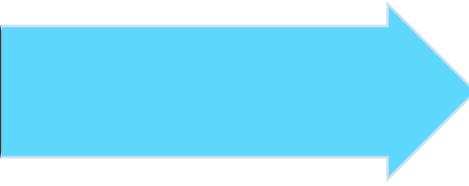

Identify root causes

Design interventions to address the health disparities

Health Equity

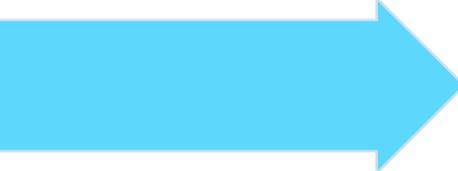

Health
Equality

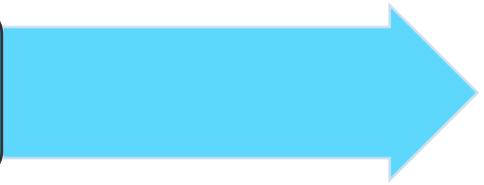

Health
Equity
